Re:    Award of Contract - IFB #17-912-11
       Completion and Corrective Work at the Guste III Housing Development
       Group 5 - 6

In 2013, the Housing Authority of New Orleans (HANO) awarded the contract for the construction of 155 mixed-income housing rental units at the Guste III redevelopment site in Central City to Parkcrest Builders (Contractor). The Contractor was obligated to deliver 155 residential rental units in seven groups between October 2014 and March 26, 2015. The Contractor missed all of the completion dates. On April 10, 2015, HANO sent a Notice of Final Default and Termination to the Contractor and requested that the Contractor’s surety company, Liberty Mutual (Surety), fulfill its obligation to complete the project. HANO signed a Takeover Agreement with the Surety, effective June 9, 2015, to restart work on the project after termination of the Contractor. The Surety rehired the Contractor to complete the work on the Surety’s behalf with new completion dates for the seven groups between July and November 2015. The Surety missed all of the completion dates. Because of the Surety’s failure to address code compliance and punch list issues within the 10 units for which they had obtained Certificates of Occupancy, HANO sent notice to the Surety that HANO would assume control of the first 10 units on July 15, 2016 and procure a contractor to complete the outstanding items so that the units could be occupied. Subsequently, with 10 of 155 Certificates of Occupancy obtained, the Surety provided notice that as of August 9, 2016 they would abandon the project.

HANO developed a scope of work to complete the remaining punch list items for the first 10 units on site, procured a contractor, and tenants occupied those units in October 2016. Three separate contracts are underway for the completion of 12 units, 42 units, and 49 units, Groups 2, Group 3-4, and Group 7, respectively.

The scope of work for IFB #17-912-11 is for the completion of 42 units located in 16 buildings, also called Group 5 and Group 6. These are the last 2 groups that will be contracted for completion. In accordance with all applicable Federal and State regulations and laws, and in
accordance with HANO’s procurement policy, Invitation for Bids (IFB) #17-912-11 for the Completion and Corrective Work at the Guste III Housing Development Group 5-6 was released on April 13, 2017 and bids were opened on May 16, 2017. HANO received one (1) bid for $3,499,700.00 from Colmex Construction, LLC. The budget for the project was $3,000,000.00. In that only one (1) bid was received, which was over the in-house cost estimate, a cost analysis was performed. Based on a review of the contractor’s Schedule of Values, the complexity of the work to be performed, timeframe for completion, and the necessity of occupy units, the contractor' base bid amount of $3,499,700.00 was determined to be reasonable. The contract duration is 120 days.

CERTIFICATIONS

Finance
The Finance Department has certified that the funds are available to complete the project from HANO funds.

Procurement
The Procurement Manager has certified that this procurement was conducted in accordance with all applicable Federal and State regulations and laws, and in accordance with HANO’s procurement policy.
