

## ADDENDUM NUMBER TWO

June 6, 2019

**REQUEST FOR PROPOSALS #19-914-20;  
PARTICIPATION IN THE PROJECT BASED VOUCHER PROGRAM - 2019**

THIS ADDENDUM IS BEING ISSUED TO INCORPORATE THE FOLLOWING IN THE REFERENCED REQUEST FOR PROPOSALS

**ITEM #1 WRITTEN QUESTION RECEIVED**

**Q1:** My organization is developing a duplex for homeless people in the Lower 9th Ward and we need two project based vouchers. The RFP requires a minimum of 15 vouchers. We have an opportunity to partner with another developer who also has a property in the Lower 9 who needs 14 vouchers. If we partnered with them could we be seen as one project even though they are different locations in the Lower 9? Would the Lower 9 itself be seen as a "touching along a boundary or point" for the purposes of this RFP? Would we qualify for a total of 16 vouchers under this RFP? Also his building would be a substantial rehabilitation and ours would be a new construction. So it would be 14 rehabs and 2 new constructions for this project.

**A1:** For the purpose of this RFP, the response to all questions in the paragraph above is "no".

**Proposals must be received by the Housing Authority of New Orleans (HANO) in the Department of Procurement and Contracts no later than 2:00 p.m., CST on Tuesday, June 11, 2019. All terms and conditions shall remain as stated in the original Request for Proposals. All addenda must be acknowledged.**
