

ADDENDUM NUMBER TWO

October 28, 2016

**RFQ #16-910-51
SUPPLY AND REPLACEMENT OF THIRTEEN SECURITY CAMERAS AT FISCHER
HOUSING COMMUNITY**

THE FOLLOWING ADDENDUM IS BEING ISSUED TO INCORPORATE THE FOLLOWING IN THE REFERENCED REQUEST FOR QUOTES.

ITEM #1 QUOTE DUE DATE

DELETE: Monday, October 31, 2016, as indicated in Addendum No. 1

INSERT: Friday, November 4, 2016 at 2:00 P.M.

ITEM #2 WRITTEN QUESTIONS RECEIVED

Q1: The assessment of camera 21 states that the pole and the camera are missing, and only the base remains. Are we to add to our quote the cost of removing the old base, which is tilted 45 degrees, and pouring a new base?

A1: Yes.

Q2: Will HANO supply and install a new pole on the new base?

Q2: No.

Q3: Finding an exact green pole to match the others will be difficult to source. If HANO has an extra pole available, can it be used?

A3: No. Vendor must supply pole and installation.

Q4: If a green pole is available, is the contractor required to retrieve the pole and mount it to the new concrete base?

A4: Yes.

Q5: Can we assume that the correct wires for the power and video feeds are going to all 13 poles where cameras are to be replaced?

A5: Unless otherwise stated in the documentation, it can be assumed that wires for power and video are present at the location.

Q6: Regarding pay rates, the bid document mandates paying \$29.68 for low voltage work. Does this mandate apply to this RFQ?

A6: Payment of Davis-Bacon wage rates are required for this project.

Quotes must be received by the Housing Authority of New Orleans (HANO) in the Office of Procurement and Contracts by 2:00 p.m., local time on Friday, November 4, 2016. All terms and conditions shall remain as stated in the original Request for Quotes. All addenda must be acknowledged.
