## **HOUSING AUTHORITY OF NEW ORLEANS Capital Fund Program (CFP)**

### **I. Description of Capital Fund Program (CFP) 5-Year Action Plan Content**

HANO has developed a CFP 5-Year Action Plan that describes the necessary capital improvements to ensure long-term physical and social viability of HANO's public housing developments. The Plan covers the period FFY 2022 – FFY 2026 and will be updated yearly on a rolling basis.

The cost estimate associated to each identified project is based on HANO's historical cost for similar projects and will not be finalized until HANO engages with an architectural and engineering firm.

All of the items identified in this CFP 5-Year Action Plan are subject to an environmental review that will be obtained. CFR Part 58 environmental clearances will be undertaken, or a supplemental clearance of additional funding may be required for projects previously cleared.

HANO's Definition of "Substantial Deviation" and "Significant Amendment or Modification" is provided as an attachment. Section (iii) of the Definition identifies HANO's criteria for determining significant amendment or modification to the CFP 5-Year Action Plan.

**HOUSING AUTHORITY OF NEW ORLEANS**  
**Capital Fund Program (CFP)**

**III. Definition of “Substantial Deviation” and “Significant Amendment or Modification”**

## **DEFINITION OF “SUBSTANTIAL DEVIATION” AND “SIGNIFICANT AMENDMENT OR MODIFICATION”**

In accordance with HUD regulations in 24 CFR 903.7 (r) and 24 CFR 905.3, HANO has defined below the basic criteria that will be used for determining: (i) substantial deviation from its 5-Year Plan; (ii) significant amendment or modification to the 5-Year and Annual PHA Plans; and (iii) significant amendment or modification to the Capital Fund Program (CFP) 5-Year Action Plan. Prior to implementing changes that meet such criteria, HANO will submit for HUD’s approval, a revised Plan(s) that meets full public process requirements including Resident Advisory Board review and consultation.

HANO’s criteria, as defined below, is applicable to all CFP components including: Capital Fund grants; Replacement Housing Factor (RHF) grants; Disaster Grants; Capital Fund Financing Program (CFFP) allocations; as well as any new or future formula components such as Demolition and Disposition Transitional Funding (DDTF).

### **(i) Criteria for defining “Substantial Deviation” from the 5-Year Plan:**

- A major change in the direction of HANO pertaining to its mission and goals would constitute a “substantial deviation” from the Agency’s 5-Year Plan.
- Examples include the undertaking of new program activities, development strategies, or financing initiatives that do not otherwise further HANO’s stated mission and goals as articulated in the 5-Year Plan.

### **(ii) Criteria for defining “Significant Amendment or Modification” to the 5-Year and Annual PHA Plans:**

- Changes to rent, admission policies, or organization of the waiting list(s) in the Public Housing Program that will impact more than 10% of applicants and/or households assisted under the Program.
- Changes to rent, admission policies, or organization of the waiting list(s) in the Housing Choice Voucher Program that will impact more than 10% of applicants and/or households assisted under the Program.
- Substantial changes to demolition, disposition, designated housing, homeownership, or conversion activities identified in the current HUD-approved Annual or 5-Year Plans.

### **(iii) Criteria for defining “Significant Amendment or Modification” to the Capital Fund Program (CFP) 5-Year Action Plan:**

- Proposed demolition, disposition, homeownership, Capital Fund financing, development, or mixed-finance proposals will be considered significant amendments to the CFP 5-Year Action Plan.
- Additions of non-emergency work items not included in the current CFP Annual Statement or CFP 5-Year Action Plan that exceed \$3 million.

### **(iv) Exceptions:**

- Changes under the above definitions that are required due to HUD regulations, federal statutes, state or local laws/ordinances, or as a result of a declared national or local emergency will not be considered substantial deviation or significant amendment/modification.
- Changes under the above definitions which are funded by any source other than federal funds will not require Plan amendment or modification.
