(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.

(c) Offers for services other than those specified will not be considered.

2. Submission of Offers

(a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telegraphic notice.

(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations

(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this solicitation by

(1) signing and returning the amendment;
(2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer, letter or telegram, or
(3) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

(1) Have adequate financial resources to perform the contract, or the ability to obtain them;
(2) Have a satisfactory performance record;
(3) Have a satisfactory record of integrity and business ethics;
(4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
(5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

(1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
(2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
(3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
(4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.
(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may
   (1) reject any or all offers if such action is in the HA's interest,
   (2) accept other than the lowest offer,
   (3) waive informalities and minor irregularities in offers received, and
   (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

HOUSING AUTHORITY OF NEW ORLEANS
REQUEST FOR PROPOSALS
FOR
PHASE I AND PHASE II CULTURAL RESOURCES SURVEYS
AND ARCHAEOLOGICAL TESTING SERVICES AT IBERVILLE SCATTERED SITES
RFP #19-912-07

PART I – GENERAL BACKGROUND INFORMATION

1.1 Introduction/ Background Information

The Housing Authority of New Orleans (HANO) requires the services of a qualified firm to perform a Phase I Cultural Resources Survey and Archaeological Testing services and if necessary, a Phase II Cultural Resources Surveys and Archaeological Testing services, and other related services at multiple scattered sites planned for redevelopment: 1808-1810 Bayou Road, 919 North Villere Street, and 1500-1502 Dumaine Street. Redevelopment will consist of construction of new residential housing units.

HANO and the City of New Orleans received grant funding as part of the U.S. Department of Housing and Urban Development Choice Neighborhoods Initiative (CNI) to transform the Iberville Public Housing Development and revitalize the neighborhood. The New Orleans CNI Transformation Plan covered the one-for-one replacement of all 821 dwelling units at Iberville both on-site and in the surrounding CNI neighborhood (Iberville/Treme’), and the revitalization of more than 300 blocks within the boundaries of Rampart Street, Tulane Avenue, Broad Street, and St. Bernard Avenue. The off-site housing plan uses vacant, scattered publicly and privately owned parcels to create mixed-income housing within a mixed-use context. The off-site, HANO-owned vacant lots were included in a Notice for Funding Availability (NOFA) by the City of New Orleans to provide development financing for affordable rental opportunities. HANO, as owner of the land, has a responsibility to conduct archaeology per the Programmatic Agreement dated March 2013. The Programmatic Agreement outlines the Off-site Protocols which include that Consistent with the ACHP’s Policy Statement on Affordable Housing, archaeological investigations should be avoided for affordable housing off-site locations limited to rehabilitation and requiring minimal ground disturbance. The lots within this Request for Proposals are where Section 106 is required (i.e., phases receiving Federal funding).

HANO strongly encourages minority-owned and women-owned businesses, socially and economically disadvantaged businesses and small businesses to respond to this RFP, or to participate in subcontracting opportunities pursuant to this request.

Also, HANO encourages contractors to submit proposals that demonstrate an effort to meet our Section 3 goals by providing HANO’s public housing residents and project based voucher holders substantive work experience and/or related vocation/education opportunities. Therefore, proposals shall include a narrative indicating how these goals would be furthered through the implementation of a training and employment plan for HANO residents and voucher holders.

Stage I of the evaluation process will be used to determine the respondents to be included in the competitive range (short list), from which final selection for contract award will ultimately be made. Stage II of the evaluation process will be reserved for firms included in the competitive range only, and will be the basis for ultimate contract award. Scoring will be based upon how well the proposal meets the criteria established in this RFP.

During Stage I of the evaluation process, technical proposals will be evaluated and scored by an Evaluation Committee. The committee will score each proposal. Scoring will be based on predetermined evaluation criteria. The available points associated with each criterion are shown. Cost proposals will be evaluated separately by the Contracting Officer and/or his designee(s). The results of the evaluation of both technical and cost proposals will be used to determine those proposals to be considered in the competitive range and included on the short list.

Stage II of the evaluation process may entail negotiations, interviews and/or presentations with the respondents included on the short list. Respondents not included on the short list will not proceed to Stage II of the evaluation process. The purpose of the negotiations/interviews is to promote the understanding of HANO's requirements with respect to this RFP, promote the understanding of the respondents' proposals, and to arrive at agreeable contract terms. Upon completion of the negotiations/interviews, HANO will establish a common date and time for submission of best and final offers. Best and final offers will be evaluated in accordance with the same procedures outlined above for Stage I evaluation. The initial proposal submitted by Respondents who do not submit a best and final offer shall be construed as their best and final offer.

HANO will award contracts resulting from this solicitation to the responsible offerors whose offers, conforming to the solicitation, will be most advantageous, price and other technical factors specified herein considered. HANO reserves the right to make contract awards without negotiations, and to make no award or decline to enter into negotiations should it believe that no respondent to this RFP will be capable of delivering the necessary level of services within an acceptable price range and/or time period. HANO further reserves the right to forego Stage II of the evaluation process and enter into negotiations based on the results of Stage I of the evaluation process. Should HANO exercise its right to make contract award without negotiations or to forego Stage II of the evaluation process, contract award will be based on initial proposals received. Contract award may be subject to approval by HANO's Board of Commissioners and possibly the United States Department of Housing and Urban Development (HUD).

(e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

8. Contract Termination; Debarment

A breach of these Contract clauses may be grounds for termination of the Contract and for debarment or denial of participation in HUD programs as a Contractor and a subcontractor as provided in 24 CFR Part 24.

Part I: Policy, Purpose, Requirements, Definitions

A. Introduction and Summary

The Housing Authority of New Orleans (HANO) has established a policy whereby any contractor that transacts business with HANO must meet the requirements of HANO’s Section 3 and DBE/WBE policy as outlined in this document. This policy applies to all contracts valued at $100,000 or greater. Contractors will: 1) offer Section 3 employment, training and employment skill building programs for eligible Section 3 residents and 2) provide Section 3 Business Concerns, Disadvantaged Business Enterprises (DBEs) as well as Woman Business Enterprises (WBEs) with the maximum opportunity to participate in the performance of contracts awarded by HANO. HANO will make a good faith effort to recruit as many Section 3 eligible residents and businesses as possible for employment and instructional positions and contract opportunities, in an effort to provide economic opportunities for area residents and area business concerns.

This document serves to fulfill two (2) main objectives: 1) it outlines the Section 3 & Section 3 Business Concerns/DBE/WBE policy and program compliance measures of HANO, and 2) it contains program definitions, requirements, required forms, information on program assistance provided by HANO, and other information related to HANO’s Employment, Training and Contracting Policy. This document replaces all previous policies and is in immediate effect as of the HANO Board approval date.
