ADDENDUM NUMBER THREE

March 14, 2018

RFQ #18-910-16
SUPPLY AND INSTALL SECURITY CAMERA SYSTEMS AT THE FLORIDA NEW HOUSING COMMUNITY

THE FOLLOWING ADDENDUM IS BEING ISSUED TO INCORPORATE THE FOLLOWING IN THE REFERENCED REQUEST FOR QUOTES.

ITEM #1  WRITTEN QUESTIONS RECEIVED

Q1: Where is camera #6?
A1: Camera 6 is shown on the Site Plan on Independence Street near the playground.

Q2: What is the depth of the camera cable?
A2: The cable shall be installed in accordance with the cable manufacturer’s written instructions and Code or a minimum of 24 inches, whichever is greater.

Q3: Is the pole treated or creosote?
A3: Assuming that the Respondent is asking about the new poles, the poles are aluminum. There are no wood poles.

Q4: What is the pole made of?
A4: Assuming that the Respondent is asking about the new poles, refer to the Technical Specifications in the Scope of Work. New poles are to be Eaton RTAST20N (or equal) as specified. Poles shall be installed in strict accordance with the manufacturer’s written instructions, including concrete base details. Color shall match existing site lighting poles at playground. Contractor shall provide all options as appropriate for this installation. Contractor shall submit product data on the pole prior to purchase.

For the purpose of this RFQ, Contractor shall provide concrete bases for each new pole as indicated in the detail. See Item #2 of this Addendum.

ITEM #2  CAMERA POLES

INSERT: CAMERA POLE FOUNDATION DETAIL, as attached.

Quotes must be received by the Housing Authority of New Orleans (HANO) in the Office of Procurement and Contracts by 2:00 p.m., local time on Friday, March 16, 2018. All terms and conditions shall remain as stated in the original Request for Quotes. All addenda must be acknowledged.
