ITEM #3 WRITTEN QUESTIONS RECEIVED

Q1: Do bidders have to be part of certain pre-certified contractors or business groups with HANO?

A1: No.
Q2: Are there any opportunities for extensions to the RFQ due date?

A2: We are not currently considering an extension of time. We expect the current due date will allow HANO time to review proposals and provide direction to respondents so that they have enough time to prepare applications for the 2019 competitive Low Income Housing Tax Credit funding round.

Q3: Can you confirm the location and parcels for the Press Park Home site from either of the attached Google Maps links? Or, are the parcels in a different location?

A3: Neither of the links is the correct location for Press Park. The Press Park site originally comprised of 221 units in 25 buildings and a community center. HANO owned 154 of those units along with the community center. These HANO units were demolished in 2014. The additional units (67) are privately owned. Attached is a map showing the general boundaries of the site which is roughly bounded by Abundance, Press, Higgins, and Montegut Streets. Refer to ITEM #4 of this Addendum.

Q4: Could you please provide the most current utility allowance summary for public housing units and for Project Based Vouchers?

A4: The 2018 utility allowances can be found on HANO’s website at:

ITEM #4 MAP - PRESS PARK GENERAL BOUNDARIES
