Re: Section 8 Management Assessment Program (SEMAP) Certification for Fiscal Year 2016

On September 10, 1998, the U. S. Department of Housing and Urban Development (HUD) published in the Federal Register the Final Rule establishing the Section 8 Management Assessment Program (SEMAP). On August 17, 2000, HUD issued Notice PIH 2000-34 requiring the electronic submission of the SEMAP certification.

SEMAP consists of 14 primary indicators with points assigned to each indicator for a total maximum of 145 points. The following lists the indicators and the maximum available points along with a comparison of the Housing Authority of New Orleans (HANO)’s FY 2015 and current FY 2016 scores:

HUD has established the following SEMAP rating system:

- High Performer - 90% - 100% (130.5 – 145 points)
- Standard Performer – 60% - 89% (87 – 129.5 points)
- Troubled Performer - < 60% (< 86 points)

HANO gained points in criterion 3 – Determination of Adjusted Income. To claim the maximum points allowed, 90% of the files reviewed needed to have correct income calculations. However, this year’s score of 15 points or 82% of the total files reviewed were correct, which is a significant improvement from last year’s score of zero. The implementation of an Action Plan to include more quality control reviews, file audits and staff training was instrumental in achieving this year’s score.

HANO maintained points in criterion 13 - Lease-up. In order to count the maximum points allowed under this indicator, HANO had to achieve 98% lease-up by FYE 2016, but only reached 97% due to an increase in attrition resulting from more aggressive compliance activities and the lack of responses from the 2009 waitlist. This number will improve by the next reporting period with the new waitlist established in 2016 and the agency reviewing all Section 8 operational functions.

HANO gained points in criterion 14 – Family Self-Sufficiency (FSS) enrollment. To gain the maximum points allowed, HANO had to fill 80% or more of its 536 mandatory FSS slots and 30% or more of those families had to have escrow balances. This information is taken directly from HUD’s PIH Information Center which gathers data reported by all public housing authorities (PHAs). This increase is due to the number of FSS enrollments and will continue to improve as new participants join the program in the coming year.

We recommend that the Board approve the SEMAP Certification for Fiscal Year 2016 and authorize the Executive Director to sign the Certification for Submission to HUD.
RESOLUTION NO. 2016-25

WHEREAS, on September 10, 1998 the U.S. Department of Housing and Urban Development (HUD) published in the Federal Register the Final Rule establishing the Section 8 Management Assessment Program (SEMAP), as set forth in the 24 CFR 985, to objectively measure public housing authority performance in key Section 8 tenant-based rental assistance program areas; and

WHEREAS, on August 17, 2000 HUD issued Notice PIH 2000-34 (HA), requiring electronic submission of SEMAP Certification; and

WHEREAS, the Housing Authority of New Orleans (HANO), has completed its self-certification review to determine the HANO scoring of the 14 SEMAP indicators for the fiscal year ending September 30, 2016; and

WHEREAS, HANO has determined that for the fiscal year ending September 30, 2016, the SEMAP score is 133 points, or 92% of the 145 point maximum, thereby establishing HANO as a High Performer; and

WHEREAS, HUD requires that the SEMAP Certification be approved by the Board of Commissioners and be signed by the Executive Director prior to electronic submission to HUD.

THEREFORE, BE IT RESOLVED that the Board of Commissioners of the Housing Authority of New Orleans hereby approves the SEMAP Certification submission, and authorizes the Executive Director to sign the SEMAP Certification for submission to HUD in accordance with 24 CFR 985.101.

PRESIDENT, BOARD OF COMMISSIONERS
In 2012, Road Home Corporation, d/b/a Louisiana Land Trust (LLT), transferred 14 properties referenced in Exhibit A (Properties) to the Housing Authority of New Orleans (HANO) at no cost in order to facilitate recovery efforts in compliance with Community Development Block Grant Supplemental Disaster regulations. These properties are located within the Choice Neighborhood Initiative (CNI) boundaries, and HANO anticipated developing these properties as part of its one-for-one replacement unit requirement pursuant to the CNI Grant Agreement. To date, HANO has not been able to develop any of the properties due to lack of resources.

In August 2016, the City of New Orleans (City), the New Orleans Redevelopment Authority (NORA), and HANO jointly issued a Notice of Funding Availability (NOFA) for City financial resources paired with NORA and HANO properties for the development of affordable housing within the CNI boundaries.

NORA exists and operates generally for public purposes including the prevention and elimination of blighted areas, the development of vibrant neighborhoods and establishment of economically and socially sound communities through a broad-range of redevelopment activities. NORA has been designated by the City as the entity to accept title to all properties formerly owned by the LLT located in Orleans Parish, and to manage their disposition.

Due to NORA’s role in the disposition of LLT properties and its participation in the joint NOFA, HANO desires to transfer these properties to NORA at no cost in accordance with the provisions of La. Const. Art. 7, Section 14 for the valued public purpose of management and disposition in accordance with NORA’s Residential Disposition Policies and Procedures and in support of the goals and requirements of the CNI grant.
HANO requests that Board of Commissioners approve the disposition of the Properties to NORA and authorize the Executive Director to execute all documents necessary to effectuate the disposition and to pay all necessary and reasonable expenses or fees associated with this transfer.
WHEREAS, the Housing Authority of New Orleans (HANO) is the owner of 14 parcels of land located in the State of Louisiana, Parish of Orleans bearing the municipal addresses set forth on Exhibit “A” attached hereto (the “Property”); and

WHEREAS, in consideration of: 1) the recovery efforts of HANO following Hurricane Katrina and in compliance with Community Development Block Grant Supplemental Disaster regulations; 2) HANO’s agreement to comply with Amendment No. 2 to Louisiana’s First CDBG Action Plan (Katrina/Rita) and Amendment No. 7 to Louisiana’s Second CDBG Action Plan (Katrina/Rita), as amended, supplemented, or otherwise modified; and 3) HANO’s agreement to use and maintain the property in accordance with the Environmental Review Record pertaining to the Property prepared by the Louisiana Department of Administration, Office of Community Development; and in order to facilitate recovery efforts and the public benefits to be derived therefrom, Road Home Corporation, d/b/a LLT transferred the Property to HANO, at no cost to HANO, as authorized by Resolution #2011-59; and

WHEREAS, the New Orleans Redevelopment Authority “(NORA)” is a body public corporate and political, which exists and operates generally for public purposes which include the prevention and elimination of blighted areas, the development of vibrant neighborhoods and establishment of economically and socially sound communities through a broad-range of redevelopment activities; and

WHEREAS, NORA has been designated by the City of New Orleans as the entity to accept title to all properties formerly owned by the Road Home Corporation, d/b/a LLT located in Orleans Parish and to manage their disposition; and

WHEREAS, HANO now desires to transfer the Property to NORA for the valued public purpose of management and disposition in accordance with NORA’s Residential Disposition Policies and Procedures; the ultimate goal of which is to place properties back into commerce and to redevelop New Orleans; and

WHEREAS, Article VII, Section 14(C) of the Constitution of the State of Louisiana provides that “For a public purpose, the state and its political subdivisions...may engage in cooperative endeavors with each other…or with any public or private association, corporation, or individual;” and

WHEREAS, for and in consideration of the prevention and elimination of blighted property, in order to permit the management and disposition of the Property in accordance with NORA’s Residential Disposition Policies and Procedures thereby placing the Property back into commerce, and the public benefits to be derived therefrom, which support HANO’s mission and purposes, HANO intends to enter into a Cooperative Endeavor Agreement and Act of Transfer with NORA in order to transfer title to the Properties;

WHEREAS, HANO’s Executive Staff has reviewed and recommends approval of the disposition of the Property to NORA.
THEREFORE, BE IT RESOLVED, the Board of Commissioners approves the disposition of the Properties to NORA in consideration of the prevention and elimination of blighted property, in order to permit the management and disposition of the Property in accordance with NORA’s Residential Disposition Policies and Procedures thereby placing the Property back into commerce, and the public benefits to be derived therefrom, and the Executive Director, or his designee is hereby authorized and directed to negotiate and execute on behalf of HANO all documents necessary or convenient to effectuate the disposition herein contemplated, which documents shall specifically include a Cooperative Endeavor Agreement and Act of Transfer between HANO and NORA, and any and all other documents necessary to effect said transfer, and to pay all necessary and reasonable expenses or fees associated with this transfer.
