1. Preparation of Offers
(a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.
(b) Each offeror shall furnish the information required by the solicitation. The offeror shall sign the offer and print or type his name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to the HA.
(c) Offers for services other than those specified will not be considered.

2. Submission of Offers
(a) Offers and modifications thereof shall be submitted in sealed envelope or packages (1) addressed to the office specified in the solicitation, and (2) showing the time specified for receipt, the solicitation number, and the name and address of the offeror.
(b) Telephonic offers will not be considered unless authorized by the solicitation; however, offers may be modified by written or telephonic notice.
(c) Facsimile offers, modifications or withdrawals will not be considered unless authorized by the solicitation.

3. Amendments to Solicitations
(a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
(b) Offerors shall acknowledge receipt of any amendments to this solicitation by
   (1) signing and returning the amendment;
   (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer,
   (3) letter or telegram, or
   (4) facsimile, if facsimile offers are authorized in the solicitation. The HA/HUD must receive the acknowledgment by the time specified for receipt of offers.

4. Explanation to Prospective Offerors
Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor
(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -
   (1) Have adequate financial resources to perform the contract, or the ability to obtain them;
   (2) Have a satisfactory performance record;
   (3) Have a satisfactory record of integrity and business ethics;
   (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
   (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.
(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers
(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -
   (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
   (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or facsimile, and it is determined by the HA/HUD that the late receipt was due solely to mishandling by the HA/HUD after receipt at the HA;
   (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
   (4) Is the only offer received.
(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.
(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date of the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bulls-eye postmark on both the receipt and the envelope or wrapper.
(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.
(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including telexgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by the offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may:
1. reject any or all offers if such action is in the HA's interest,
2. accept other than the lowest offer,
3. waive informality and minor irregularities in offers received, and
4. award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written offer or acceptance of an offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receipting procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

PART IV – PROCUREMENT PROCESS

4.1 Proposal Evaluation/Contract Award
Proposals received in response to this solicitation may be evaluated using a two-stage evaluation process. Stage I of the evaluation process will be used to determine the Offerors that will be included in the competitive range (short list), from which final selection for contract award(s) will
ultimately be made. Stage II of the evaluation process will be reserved for the short listed firms only. Scoring will be based upon how well the proposal meets the criteria established in this RFP. During Stage I of the evaluation process, proposals will be evaluated and scored by an Evaluation Committee. Scoring will be based on predetermined Evaluation Criteria contained in the solicitation. The available points associated with each area of consideration are shown. The results of the evaluation will be used to determine those Offerors to be included in the competitive range.

The competitive range shall include those Offerors who are determined through the evaluation process and due diligence review (verification of Contractor responsibility) to be the most qualified. These Offerors may be requested to supply additional information to assist in completing the due diligence review. Failure to satisfactorily complete the due diligence review within the timeframe established by HANO will result in exclusion from the competitive range.

Stage II of the evaluation process may entail presentations/interviews with the Offerors in the competitive range. Offerors not included in the competitive range will not proceed to Stage II of the evaluation process. The purpose of the presentations/interviews is to provide the Evaluation Committee an opportunity to obtain additional information as a result of the written responses. Stage II evaluation will be conducted upon completion of the presentations/interviews in accordance with the same procedures and criteria outlined above for Stage I evaluation.

HANO reserves the right to make no award or decline to enter into negotiations should it believe that no Offeror to this RFP will be capable of delivering the necessary level of services within an acceptable price range and/or time period, or if the total points received after evaluations is unacceptable, as determined by HANO. Further, HANO reserves the right to forego Stage II of the evaluation process and enter into negotiations with the highest ranked firm from Stage I of the evaluation process. If an Agreement cannot be negotiated with a firm(s), HANO will terminate negotiations and the procedure will continue until a contract(s) have been negotiated. All contracts and subsequent contract awards to selected Offerors are subject to HUD funding availability, and may require final approval from the Housing Authority of New Orleans' Board of Commissioners, and/or the U.S. Department of Housing and Urban Development.

HANO will award contracts resulting from this solicitation to the responsible offerors whose offers, conforming to the solicitation, will be most advantageous, price and other technical factors specified herein considered. HANO reserves the right to make contract awards without negotiations, and to make no award or decline to enter into negotiations should it believe that no Contractor to this RFP will be capable of delivering the necessary level of services within an acceptable price range and/or time period. HANO further reserves the right to forego Stage II of the evaluation process and enter into negotiations based on the results of Stage I of the evaluation process. Should HANO exercise its right to make contract award without negotiations or to forego Stage II of the evaluation process, contract award will be based on initial proposals received.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

3. Termination for Convenience and Default

(a) The HA may terminate this contract in whole, or from time to time in part, for the HA's convenience or the failure of the Contractor to fulfill the contract obligations (default).
