

ADDENDUM NUMBER THREE

April 2, 2026

Fischer IVA FORTIFIED ROOF REPLACEMENT

IFB No. 26-911-02

THIS ADDENDUM IS BEING ISSUED TO INCORPORATE THE FOLLOWING IN THE REFERENCED INVITATION FOR BIDS.

Delete paragraph 4.4.1 of Division 0.

Insert paragraph 4.4.1 of Division 0:

In accordance with the direction provided in the State of Louisiana State Licensing Board for Contractors memo dated December 8, 2025 and attached to Addendum #3, page 2, the project shall be awarded only to contractors who are licensed under State of Louisiana Contractors License Law La. R.S. 37:2150-2192 with a classification in either Residential Construction or Residential Roofing. This requirement supersedes all other references to State Board for Contractors licensure in the bid package.

State of Louisiana
STATE LICENSING BOARD FOR CONTRACTORS

JEFF LANDRY
GOVERNOR

BRAD HASSERT
EXECUTIVE DIRECTOR

December 8, 2025

TO: Building Construction; Roofing & Sheet Metal, Siding Licensees

FROM: Louisiana State Licensing Board for Contractors
Louisiana State Uniform Construction Code Council

RE: Residential Roof Work

Reminder!

Effective January 1, 2026, **ONLY** those licensees holding Residential Construction and Residential Roofing classifications may perform residential roof work.

Those licensees holding the Building Construction or Roofing & Sheet Metal, Siding classifications may easily obtain the appropriate licensure for residential roofing projects by applying. No additional trade exam is required to obtain this classification.

Also note the changes in the definition of a residential structure that became effective August 1, 2025.

“Residential structure” means a building or structure that is used primarily for occupancy by a person as a residence. Such structures or buildings include but are not limited to single family dwellings, and duplexes which are not more than three floors in height and structures that are part of or adjacent to the building or structures to be used as a residence. A residential structure more than three floors in height may be built by a person holding a building construction and residential construction license.

Proposals must be received by the Housing Authority of New Orleans (HANO) in the Office of Procurement and Contracts by 2:00pm, local time on April 8th, 2026. All terms and conditions shall remain as stated in the original Request for Proposals. **All addenda must be acknowledged.**

END OF ADDENDUM NUMBER THREE
